

Raphael Reyes
reyesr11@uthscsa.edu

EDUCATION

- 2018 **Graduate Student** in Integrated Biomedical Sciences
University of Texas Health San Antonio
- 2017-2018 **Post Baccalaureate**
University of Missouri-Columbia
- 2013-2017 **Bachelor of Science** in Biology
University of California, Riverside, CA

RESEARCH EXPERIENCE

- 2017-2018 **PREP Scholar**
NIH Post Baccalaureate Research Education Program
Columbia, MO University of Missouri
Advisor: Dr. Emma Teixeira
NFkB Signaling on Regulatory T Cell Development
- 2015-2017 **Undergraduate Researcher**
University of California Riverside Institute for Integrative Genome Biology
Advisor: Dr. Karine Le Roch
Assessing the Effect of Histone Methyltransferase Inhibition on Plasmodium falciparum
- 2012-2013 **High School Research Intern**
USC Science Technology and Research Program
Los Angeles, CA Eli and Edythe Broad Institute of Regenerative Medicine
Advisor: Dr. Francesca Mariani
An in vitro Evaluation of the Chondrogenic Potential of Rib Perichondrium
- 2012 **Summer Research Internship**
Latino and African American High School Internship Program
Los Angeles, CA CHLA Saban Research Institute
Advisor: Dr. Barbara Driscoll
The Impact of Aging on Lung Fibroblast Interactions with Lung Immune and Epithelial Cells

WORK EXPERIENCE

2014-2016 **Undergraduate Laboratory Assistant**
University of California Botany and Plant Sciences Department
Riverside, California
Supervisor: Dr. Philippe Rolshausen

AWARDS/HONORS

12/2016 The Neil Campbell Center for Plant Cell Biology Undergraduate Student
Award for Outstanding Research
